

## ***ST HUBERTUS HUNTING TOURS***

### ***HUNTING SEASON 2017 RED STAG HUNTING OFFER IN THE CZECH REPUBLIC OFFER N. 2***

*A Red Stag During Breeding Season*

### **THE HUNTING AREA**

*Huge fenced game preserve with an extension of 4000 hectares in Northern Bohemia and an altitude from 300 to 450 m.a.s.l. Around 2500 hectares are covered with forests, 1500 hectares with meadows and fields. It is one of the widest European fenced game preserve. According our past demanding hunting guests the hunt in this game preserve is as difficult and gripping as in free range. Its grounds are mainly covered with pine forests spaced out by spruces, oaks, beech forests and some arduous rock faces. The main game is red deer with an excellent population and trophies up to gold medal. Other animals are fallow deer, roe deer, wild boars and mouflons.*
